4 Type the address of the second token

The screenshot shows a web interface with a top navigation bar containing 'Home', 'Swap', 'Pools', 'Tokens', 'Deposits', 'Withdraw', and 'Vaults'. Below the navigation bar is a 'Staking' section. The main content area has tabs for 'Ratio', 'Volume', 'Change', and 'Action'. The 'Ratio' tab is active, showing a form with two columns. The left column has a 'Token Address' field with the value '0x6d8f5ED48d75BFb1ecb612' and an 'Amount' field with the value '0'. The right column has a 'Token Address' field with the value '0x000...' (highlighted with an orange circle) and an 'Amount' field with the value '0'. Below the form are two large buttons: 'CREATE' and 'CANCEL'. To the right of the form, there are buttons for 'ADD' and 'CLAIM'.

5 Type the initial amount of the first token

The screenshot shows the same web interface as above, but the 'Amount' field for the first token is highlighted with an orange circle. The 'Token Address' field for the first token now contains the value '0x6d8f5ED48d75BFb1ecb612'. The 'Token Address' field for the second token now contains the value '0x9911EbB113E41B07522dDc8'. The 'Amount' field for the second token now contains the value '0'. The 'CREATE' and 'CANCEL' buttons are still visible at the bottom.

7 Type the initial amount of the second token

The screenshot shows a web interface with tabs labeled "Ratio", "Volume", "Change", and "Action". A modal form is open, containing two columns of input fields. The left column has a "Token Address" field with the value "0x6d8f5ED48d75BFb1ecb612" and an "Amount" field with the value "5000". The right column has a "Token Address" field with the value "0x9911EbB113E41B07522dDc8" and an "Amount" field with the value "0". An orange circle highlights the "0" in the second "Amount" field. Below the input fields are two large purple buttons labeled "CREATE" and "CANCEL". To the right of the modal, there are buttons labeled "ADD" and "CLAIM" in the top right, and another "ADD" button below them.
